Deputy Commissioner Shimoga District to the Muzrai Commi

"I have the honor to submit herewith for favour of sanct trict. Government being obtained, a revised estimate for Rs.2600/- prepare the Executive Engineer, Shimoga Division, for the reconstruction of the Jumma Masjid, a Muzrai Institution at Honnali, and to state as follows:-

2. The amount at the credit of the Institution is reported to be --Rs.1500-6-0 on the 31st March 1924 out of which, Rs.808-1-2 has already been contributed by the Musalman gentlemen of the place for this purpose.

3. This amount being insufficient, some other Musalman devotees of the place have further contributed a sum of Rs.525/- for the same purpos and this contribution amount is reported to have been kept in deposit in the Savings Banks Account No.617 of Mr. Nawab Sherkhan Sahib, a membe of the Honnali Mosque Committee.

4. Honnali is a large musalman centre of historic importance and -the want of a Masjid is very keenly felt by the community, since it was reduced to a dilapidated condition, owing to cumulative neglect of ages. Owing to the existence of differences in the community for the past 30 years, all attempts to reconstruct the mosque proved abortive.

5. I am glad to report that I succeeded in effecting a permanent --peace between the rival factions and as a result thereof, the community contributed a sum of Rs.800/- towards the cost of construction and no more contributions are likely to be collected.

6. Under these circumstances, I recommend that the balance of Rs. 574-10-0 may kindly be met from the General Muzrai Funds an act which -would be very highly appreciated by the whole community.
